

2022 SCAVENGER HUNT

“DESTINATION ELEVATION”

March 1st through October 31st

Welcome to this year’s Scavenger Hunt. The goal is to obtain as many points as possible between March 1st and October 31st. You will receive 1 point for each foot of elevation. The challenge includes all elevation signs within Colorado and outside of the state.

You must obtain 100,000 points to successfully complete the challenge and earn a patch.

There will be two brackets for 1st and 2nd place in each bracket. There will be other prizes awarded at the end of the Scavenger Hunt (i.e. highest elevation, lowest elevation, farthest elevation sign from the GJ Harley Dealership, etc.).

To receive credit, please email a photo of yourself with your motorcycle in front of the elevation sign. If you cannot safely take a photo with you and your motorcycle, simply take a photo of yourself with the elevation sign and the altimeter (if you have one) on your motorcycle. Of course, we operate under the “honor policy”. Please email this information to Activities Director Laurey Marsh at wshogchallenge@gmail.com.

Grab some friends and go ride! The goal is to HAVE FUN accumulating points!! Please contact Laurey with any questions.
